Challenger Basic School ONSITE LEARNING-2020-2021 Policies and Procedures

In accordance with Governor Ducey's Executive Order 2020-51, along with Superintendent Hoffman's follow-up guidance, all school districts/charters are mandated to offer free onsite learning opportunities and support services beginning August 17, 2020. Further direction was given for all districts/charters to provide support for students with specific qualifications in the areas of special education, English language learning, at-risk, and those in foster care, including family foster homes and congregate care settings.

These onsite opportunities will not reflect a typical school environment, nor will there be a certified teacher present. However, all onsite support services will be supervised by a staff member at all times.

Time/Place/Rules

Place: Multi-purpose room

Time: (8:00-3:30 p.m) (8:00-12:00 - Fridays) (12:00-3:30 pm-deep sanitation)

Days: Monday, Tuesday, Wednesday, Thursday,
Friday- 8:00-12:00 only

******All students must be picked up no later than 3:30 p.m.***

(This has to be strict, as we have sanitation policies that must be adhered too, and your child will not have any supervision past this time)

With limited space and staff members available, and in alignment with our health mitigation strategies, we highly recommend that students only stay on campus for the amount of time necessary to complete remote learning, and paper pencil classwork.

The multipurpose room is considered a communal place. So this will include mandatory masks at all times, except when eating. There are no before and after school programs. Should a student need to stay at the campus for the full duration of the school day, it is expected that a student bring extra materials such as books or art supplies which may assist in giving them an activity to complete after classwork is finished.

There is no recess, in -person specials or direct instruction.

If a student is staying during lunch, it will be expected that they bring their own sack lunch. They will be expected to sit in their designated area during lunch as well.

REGISTRATION FORM

Initial registration for the Aug. 17th start week will be done by filling out the registration form that is attached to this email. Please fill out the form and return by Friday, Aug. 14th, by 12:00 pm.

If your child is attending "in-person" classes starting Hybrid on Aug. 17th, then they may only need onsite support for half a day. If they are full remote learners they will have access to full day onsite support learning.

You will need to register your child weekly. A weekly registration form will be sent home with your child after the first week. Please fill them out and return every Friday by 12:00 p.m. for the following week your child needs to attend.

***NO STUDENT MAY JUST ATTEND WITHOUT REGISTERING EACH FRIDAY PRIOR TO THE WEEK THEY WANT TO ATTEND.**

***If your student arrives at ONSITE SUPPORT without being registered, that student will be sent to the office and parent called. Parents will need to come pick up the student.**

Student Expectations

All students are entitled to a safe and positive learning environment. Please discuss with your child the following exceptions to help ensure this type of environment.

- *Students are to arrive wearing their mask
- *Students must be prepared with all of their learning material each day
- *Students must behave in a way that does not disrupt other students' learning.
- *Students must bring a full water bottle each day.
- *Students will not be allowed to group up or eat with other students.
- *Students will be placed more than 6 feet apart to ensure the health safety of all learners.
- *If an administrator cannot benefit onsite support, or follow expectations, then the student may be withdrawn.
- *Extreme behaviors, disrespect to staff, and other disrespectful behaviors will accelerate the disciplinary process.

Parent Expectations

In order to ensure health mitigation standards are met and a suitable learning environment is created, all parents must adhere to the expectations below:

- *Parents will Drop off/ pick up their child at the front gate entrance each day.
- *Parents will instruct their children to walk immediately to the multipurpose room each day.
- *Parents are not allowed on campus or the multipurpose room at any time.
- *Parents will register their child for onsite support.
- *Parents cannot send an unregistered child to onsite support
- *Parents must complete a home health screening prior to arrival
- *Parents must help to ensure the child has all school materials/supplies/lunch (if needed)
- *Parents must notify the office if the child has a specific health need/condition that needs to be addressed. Parents will provide this information during the registration process.
- *Parents will pick up their child at the front gate entrance each day.

Supervisor Expectations

- *Staff will provide a sanitized safe place for student to work each day
- *All staff at CBS will be wearing a mask during supervised times
- *All supervisors will treat all students with kindness, and aid in social emotional support
- *All supervisors will help to troubleshoot internet related issues
- *Supervisors will not be able to provide 1:1 help with any student

Attendance Notifications

Attendance will be taken for onsite support

Parents must notify the office by 8:00 AM if child will be absent

*A school district or charter may partner with community based organizations to meet the onsite support requirements and Use CARES Act recovery dollars to support this partnership. All academic and attendance reporting requirements under an approved distance learning plan still apply in this scenario.
